

Hello Everyone,

If you missed last night, which was about half our club, you missed some yummy apples, ice cream, cookies, brownies and more. But more importantly you missed information about our up coming events.

First off, if you have not done so already, PLANET SCD (Student career days) email back to Marcus and Brad on what event you want to do and why was due today by 5pm.

- **Broomball is tonight** (Thursday Nov. 10th) **against Turfgrass, meet at Munn at 10:15**, please wear your club t-shirts.

- **Greening of Detroit this Saturday Nov. 12** meet at the 4h/Children Garden parking lot at 7 am, if you still haven't signed up it is not too late, you can still join us! It will be in Redford and we will be going out to eat afterwards, so please bring some money for Papa's pizza.

- **Ag Olympics** is coming up next **Thursday Nov. 17th**. Please be at the Pavilion at 6:15pm.

Mid-am is coming up on January 19th-21st in Chicago, it is kind of like GIC but smaller and you do not get to ride on any equipment. It will be \$60, which is higher than GIC because we are taking a train and we are staying in a hotel in right downtown Chicago. We are having a \$15 security fee for Mid-am because there were people who dropped out of GIC and we could have cut our hotel fees, so it will really only cost \$45 but there is a \$15 security fee that you will get back when we return from the trip.

Here is the website to check it out <http://midam.org/>

Next week Bridget Behe will be talking about Marketing and the business side of Horticulture.

We finally have our calendar up on the website, if you follow the link below and click on events tab, calendar is the first line on the drop down box.
