

Hello Everyone,

If you missed last night's meeting here is what we talked about.

- If you have not done so already, please become a PLANET member so you can register for GIC by Sept. 30th with a printed or emailed receipt of your registration.
- GIC (Green Industry Conference in KY) \$35 due by Oct 5th first come first serve.
- Camping trip next Friday Sept 30th to Oct 2nd
- Homecoming - think of float ideas
- Andy Ts, Bonfire and hayride on Oct 7th at 7pm If you want to bring a guest it will be \$10 for them and if you don't pay your dues it is still \$10 for you to go. This is an incentive for you to pay your dues please!
- T-shirt contest is still going on. We will be voting (next week) Sept 28th Please bring in t-shirt designs so that we have something to vote on. If only one person brings in a design we are stuck with that design even if you do not like it! We are thinking of a dirty/darker-ish red.
- We introduced our Spring Show and Plant Sale, as a member you are REQUIRED to be at the Spring show/Plant sale because it pays for all of our activities. Please start thinking about a theme and we will be voting and deciding on a them on Oct.19th.
- These are the committees for the spring show, you should start thinking about which one(s) you may want to be on; marketing, design, donations, growing, construction, children's activities
- Pumpkin picking on an off Club night will be on Friday Oct 14th at the hort farm.
- If you need to write a check please make it out to MHEF.

Next week we will be having a speaker, Suzie Racker, from Racker's Acres Nursery which is a plug nursery and one of the biggest nursers that donates to us for our Spring Show/Plant Sale
