

Hello Fellow Hort Clubbers,

This is what we went over at last night's meeting if you missed it. Sorry this is coming to you a bit late.

Susie Raker talked to us about her business C. Raker and Sons Inc. She has some opportunities for an internship or scholarship. Two different internship opportunities; Production or Marketing. The scholarship is more like them paying for you to go to OFA Ohio Short Course and Trade show in which the scholarship will pay for your hotel, food, and admission to the show. This will give you the opportunity to meet with a lot of big wigs in the industry. www.ofa.org/scholars You need one letter of recommendation, submissions open November 1st and end February 1st and the winner will be announced March 1st. If you have any questions ask Bridget (behe@msu.edu)
