

## Meeting Summary: 10/27

Hello there all!

The most important part of the meeting tonight was about PLANET/Student Career Days! This is happening March 17-20 in Joliet, Indiana. The list will be on Brad's door until NEXT WEDNESDAY (Nov. 3rd)!! You will not be able to sign up after this date!! It will cost you \$150 plus whatever you would like to spend while we are there. This is a big deal in our club and we send people to represent MSU. If you are interested, make sure to sign up!! Here is the link again if you want to look at the events some more...
